## BOOK SYNOPSIS

Two very different women are about to learn that when it comes to sorting out life and love, no sister is perfect... Sensible older sister Jasmine is working hard, saving money, and waiting for Mr. Right. In smooth-talking attorney Derrick, she thinks she's found him. But it doesn't take long for Jasmine's shrewd granny to expose her man as nothing more than a drug-dealing hustler. Still, Jasmine chooses to stay with him...until she finds out he's got a baby momma...Wild child little sister Stephanie is looking for a good time, not a good man, although she finds both in sweet, loyal Travis. Before she knows it, a one-night fling has turned into three years—and produced an adorable son and an engagement ring. But when Stephanie's sexy high school sweetheart swings back into town, she can't help going after another taste of the one that got away... As the drama explodes, each sister will have to decide which risks are worth taking and how to look out for themselves—and each other...
