BOOK SYNOPSIS

Winner of the 2014 Guild of Food Writers Award for Cookery Book of the Year. James Morton was surely the peoples favourite to win 2012s Great British Bake Off series - with his Fairisle jumpers and eccentric showstoppers, this soft-spoken Scottish medical student won the viewers hearts if not the trophy. James real passion is bread-making. He is fascinated by the science of it, the taste of it, the making of it. And in Brilliant Bread he communicates that passion to everyone, demystifying the often daunting process of "proper" bread making. James uses supermarket flour and instant yeast - you can save money by making your own bread. You dont even have to knead! It just takes a bit of patience and a few simple techniques. Using step by step photos, James guides the reader through the how-to of dough making and shaping, with recipes ranging from basic loaves through flatbreads, sourdoughs, sweet doughs, buns, doughnuts, focaccia and pretzels. Inspiring and simple to follow, with James no-nonsense advice and tips, this book will mean you never buy another sliced white loaf again.

BRILLIANT BREAD - Are you looking for Ebook Brilliant Bread? You will be glad to know that right now Brilliant Bread is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product. Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Brilliant Bread may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings.
