BOOK SYNOPSIS

Victor Mancini, a medical-school dropout, is an antihero for our deranged times. Needing to pay elder care for his mother, Victor has devised an ingenious scam: he pretends to choke on pieces of food while dining in upscale restaurants. He then allows himself to be “saved” by fellow patrons who, feeling responsible for Victor’s life, go on to send checks to support him. When he’s not pulling this stunt, Victor cruises sexual addiction recovery workshops for action, visits his addled mom, and spends his days working at a colonial theme park. His creator, Chuck Palahniuk, is the visionary we need and the satirist we deserve.

CHOKE - Are you looking for Ebook Choke? You will be glad to know that right now Choke is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.
