BOOK SYNOPSIS

Detective Tracy Crosswhite has a skill, and a soft spot, for tackling unsolved crimes. Having lost her own sister to murder at a young age, Tracy has dedicated her career to bringing justice and closure to the families and friends of victims of crime. So when Jenny, a former police academy classmate and protégé, asks Tracy to help solve a cold case that involves the suspicious suicide of a Native American high school girl forty years earlier, Tracy agrees. Following up on evidence Jennys detective father collected when he was the investigating deputy, Tracy probes one small towns memory and finds dark, well-concealed secrets hidden within the communitys fabric. Can Tracy uphold the promise shes made to the dead girls family and deliver the truth of what happened to their daughter? Or will she become the next victim?
