## BOOK SYNOPSIS

In this much-anticipated follow-up to her bestselling *Mama Dips Kitchen*, Mildred "Mama Dip" Council serves up an abundance of new recipes for home-style Southern cooking that is sure to please. From catfish gumbo to breakfast pizza and peach upside-down cake, *Mama Dips Family Cookbook* offers recipes for more than three hundred dishes, including many Council family favorites. Also featured are party and celebration foods for family and community gatherings--a reflection of Council's belief that friends and family are essential to a rewarding life. To help novice cooks, Council includes basic information about staple ingredients, kitchen utensils, and important measurements, as well as diagrams for setting up a buffet. In a charming introductory essay, Council intertwines food-related reminiscences of her rural North Carolina upbringing with a wry recounting of her experiences since the remarkable success of her first book. With this book she passes along to new generations the practical advice and wisdom that have made her a treasure to her family and her community.
