Content categories include: reading and understanding text, language and linguistics, and composition and rhetoric. The book includes 2 practice tests for each of the 4 exams - for a total of 8 tests. Each practice test is balanced to include every type of question, subject area, and skill tested on the exam. Our practice tests replicate the PRAXIS question format, allowing you to assess your skills and gauge your test-readiness. Every practice exam comes with detailed feedback on every question.
