BOOK SYNOPSIS

A compact version of one of the most popular composition readers available today—at a significant savings to students—The Brief Bedford Reader provides 45 compelling readings by excellent writers and all the practical instructional material of the full-length book to connect critical reading to academic writing. The unique "Writers on Writing" feature illustrates the many ways writers create meaning from what they read and experience. The twelfth edition provides even more helpful guidance for students on critical reading and writing, a new appendix with advice on APA documentation, and an updated selection of compelling readings. The print text is now integrated with e-Pages for The Brief Bedford Reader, designed to take advantage of what the Web can do, with provocative new essays and multimodal selections.
