BOOK SYNOPSIS

Sydney McCall left behind an ex-fiancé and a New York advertising job to return home to Deer Park, North Carolina and help her sister, Kat, run the local animal shelter, Friendly Paws. Determined to save the shelter from financial trouble, Sydney and Kat organize a cat café fundraising event at a local coffee shop. Things are looking up until their landlord, Trowbridge Littleton, threatens to shut down the event. When Sydney drops by his art gallery to make peace, she finds Kat--along with Littletons dead body. Local homicide detective Will Worthington--who just happens to be Sydneys old high school crush--is highly suspicious of the sisters involvement. Desperate to clear their names from the suspect list, Sydney pounces on the investigation. With the help of one of the shelter cats, a savvy orange tabby named Toby, Sydney begins poking her nose into other local businesses whose owners may have benefited from Littletons death--until the killer notices shes pawing a little too closely at the truth. Delightfully clever and charming, Purr M for Murder, the first in a new series from nationally bestselling author T. C. LoTempio, will leave readers clawing for more.
