BOOK SYNOPSIS

Written by a licensed podiatrist, The Salon Professionals Guide to Foot Care provides invaluable information for the beauty professional who offers foot services and desires to expand his or her knowledge of the human foot. Dr. Mix believes that in order to provide the best service for the routine care of the foot, pedicurists and podiatrists should ideally work together, a refreshing attitude that enhances his observations throughout the book. In addition to a thorough and easy to understand explanation of foot anatomy, The Salon Professionals Guide to Foot Care provides a fascinating outline of how the human foot has developed and evolved over time. A full-color insert is also included.
